

Brentwood Band Alumni we need your help!

We need your help in securing the future of the marching band program at Brentwood High School. For many, without band it would have been a struggle to find a place in the hallways of BHS. Marching band helped form lasting friendships during summer practice before freshman classes began in August. And for all, the impact that marching band made on your lives today is because of the commitment and dedication it poured into your heart to drive you on the path you lead today.

Once you have been a member of the Brentwood High Marching Band you have something that no one can ever take away from you. You know the feeling and rush. Keep the feeling going and let the future embrace it! We need your help!

The Alumni committee is asking for a donation of at least **twenty dollars and twelve cents** in honor of our graduating class of 2012 (or more). What will that mean to your weekly budget or your monthly budget compared to what you got years ago? Eliminate that daily gourmet coffee, brown bag your lunch for a week and give that amount to help continue to build the foundation for other students. Spread the word and the message to friends, and parent boosters that may not yet be connected and watch a great program nurture future musicians from Brentwood High School. Also, **please check with your employer because many offer matching donation plans**. If you would prefer, you can make a minimum donation of \$100 to the endowment fund supporting The David Williams Memorial Scholarship.

Donations can be sent to:

\$----- In honor of the Class of 2012

\$----- The David R. Williams Memorial Scholarship

This is a new fundraising effort for the Brentwood Band Boosters but we would like to keep it growing into a sustainable, reliable financial endeavor. We anticipate the funds to be used to help offset the operating costs and support the David Williams Memorial Scholarship to help families in financial need. We would like to offer all those contributing: updated info about marching band competitions, recognition in our concert programs, and an invitation to our end of year band banquet

As an incentive to the highest contributing alumnus we would like to offer a field pass at Super Regionals November 5, 2011.

Spread the word, and send in your donation TODAY! Band camp begins August 1.

Thank you again,
BHS Band Alumni Committee.

******Please remember to check with your employer about matching funds******
